APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the period of use and the average number of cattle served from the waters of this source. The State retains the right to regulate the use of the water herein granted at any and all times but does not take responsibility for the use of the Federal range.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0097 cubic feet per second, or sufficient to water 300 head of cattle and 10 head of horses.

Actual construction work shall begin on or before August 24, 1966  
Proof of commencement of work shall be filed before September 24, 1966  
Work must be prosecuted with reasonable diligence and be completed on or before August 24, 1967  
Proof of completion of work shall be filed before September 24, 1967  
Application of water to beneficial use shall be made on or before August 24, 1968  
Proof of the application of water to beneficial use shall be filed on or before September 24, 1968  
Map in support of proof of beneficial use shall be filed on or before.....

Commencement of work filed AUG 4 1966  
Completion of work filed Aug 1, 1967  
Proof of beneficial use filed Aug 29, 1968
